## DAVID EDEN 410XLT Bass Cab

The top performer's choice world-wide, our D410 XLT is the current industry standard for 410 enclosures.

The optimally tuned, dual ported enclosure design provides our exclusive XL model drivers with increased power handling.

The XL's increased forward throw, additional 2 octave low-end response and live, aggressive sound make its performance unsurpassed for main stage and high level applications.

Well balanced killer tone with great growl.
