

# OPERA LIVE 405 Powered Speaker

With a heavy-duty 15" high-power woofer and the new 1" compression driver, the OPERA LIVE 405 is ideal for professional full-range systems for small and medium-range applications, with high demands on the acoustic pressure and bass response.

The integrated, controller-driven bi-Amp output stage, with 300 Watt/RMS permits an acoustic pressure up to 128 dB with a far-reaching frequency response and a wide dispersion angle. LIVE 405 - provides maximum performance and is easy to handle.

## FEATURES
