## JCM 900 Lead 1960 QUAD BOX

With the “Marshall” name you can be sure of strength, durability and above all a quality unequalled by its competitors since it’s conception back in 1962 !

With built in hand grips and heavy duty casters for ease of mobility, your roadies will love you forever.

This immediately recognizable “rock n roll” icon can be found just about any where Electric guitar is played!
