PGDMK6

Drum Mic Pack

FEATURES

PG52 Instrument Microphone - A high-performance Cardioid Dynamic Kick Drum microphone tuned to capture low-end punch.

PG56 Instrument Microphone - compact drum microphones for close miking on snares and toms.

PG81 Instrument Microphone - a sensitive, flat response mic ideal for overhead, cymbal & acoustic miking.

A50D Drum Microphone Mount - Can be used on most standard drum rims. The flexible, yet sturdy rubber constructions provides stability and ease of installation.

Plastic Hard Case - Protective hard case with foam insert to ensure all mics are kept safe and secure, free from dents, scratches or compression damage.
